RE: **PORTER, Juan**  
**Dkt. No.: 06-00903-001**  
**Notice of Non-Compliance -**  
**Written Reprimand Recommended**

Dear Judge Hayden:

On September 5, 2007, Juan Porter was sentenced by Your Honor to 46 months imprisonment, followed by a three-year term of supervised release, for the offense of Accessory After the Fact to Hobbs Act Robbery. The offender was also ordered to pay a \$100 special assessment and abide by the following special conditions: 1) drug urinalysis/treatment; and 2) cooperate in the collection of DNA. Porter has been supervised by this office since his release from custody on October 8, 2009.

On November 30, 2009, Porter submitted a urine specimen which tested positive for methylenedioxymethamphetamine (MDMA), a drug known as Ecstasy. Upon questioning, he admitted using the substance in a social setting on one occasion. Be assured, the Probation Office has increased our supervision efforts and adjusted his code-a-phone urine-testing level. Despite the aforementioned non-compliance, Porter displays glimpses of positive reintegration and is actively seeking gainful employment.

The Probation Office recommends presentation of the attached *Probation Form 12A* to Porter as a written reprimand issued under the authority of the Court. Hopefully, the offender will respond to Your Honor's written reprimand and conform to the conditions of release. If the Court concurs, please sign and docket the 12A and return the document to the attention of the undersigned. If your Honor requests an alternative course of action, please advise. We will make ourselves available should the Court wish to discuss this matter.

Respectfully submitted,

CHRISTOPHER MALONEY, Chief  
U.S. Probation Officer
